Obtaining Financing

Your call. After the neutron bomb that hit the financial services industry in 2008, the mortgage brokerage industry has changed dramatically. There are far fewer independent mortgage brokers simply because there are far fewer lending sources. Many mortgage brokers now work for the large lending institutions. Getting a recommendation from family, friends or your professional advisors is usually the best way to find a competent banking referral. Suggestion: Stay away from internet lenders. You never know who you're really dealing with...
